Note:

Areas may have been updated since the last rezoning and/or annexation. Please consult with the Community Development Department for the latest information.

Due to limitations of scale, not all boundaries can be clearly delineated or labeled. Refer to the ordinance annexing and/or zoning the property in question to determine any specific zoning conditions and the exact boundaries of the zones as specified in the City of Gulf Shores Code of Ordinances.

The data referenced herein has been assembled from a variety of public and private data sources, including Baldwin County, the South Alabama Regional Planning Commission, and Volkert & Assoc., Inc. No warranty or representation is made as to the accuracy, completeness, currency, reliability, or suitability for any particular purpose. Measurements are approximate. The information is regularly updated, but its accuracy cannot be guaranteed. Independent verification before relying on said information is highly encouraged.

Zoning Regulations adopted by City Ordinance 235 as amended, adopted May 12, 1982 and updated to reflect the last annexation Ordinance 1571 and Zoning Amendment Ordinance 1585.
